

Compare Costs and You May Earn Cash with Member Rewards

Did you know that prices for the same quality medical services and maintenance medications can differ by thousands of dollars within the same region and health plan network? Blue Cross and Blue Shield of Illinois provides **Member Rewards**, a program administered by Zelis that offers cash rewards when a lower-cost, quality option is selected.

- Compare it to where you park your car—the \$30 lot or the \$15 one just a few blocks away.
- Member Rewards allows you to shop for health care services and maintenance medications in a similar way, and as the examples in the chart show, you can save money depending on the option you select.
- Best of all, shopping with Member Rewards could help lower your out-of-pocket costs and help get you a cash reward.

Reward Eligible Procedure	Provider A Cost	Provider B Cost
Maintenance Medication	\$300	\$675
MRI of the Brain	\$682	\$2,723
Artificial Joint Repair	\$17,003	\$47,617
