

# Enhanced Benefits Program

## Oral Health Meets Overall Health with Delta Dental of Illinois

Delta Dental of Illinois' Enhanced Benefits Program integrates medical and dental care – where oral health meets overall health. **This program enhances coverage for individuals who have specific health conditions that can be positively affected by additional oral health care.** These enhancements are based on scientific evidence that shows treating and preventing oral disease in these situations can improve overall health. Our Enhanced Benefits Program includes additional cleanings and/or applications of topical fluoride. The costs of the additional cleanings and fluoride treatments will be applied to enrollees' annual maximums.

People Eligible	Treatment	Coverage Level	Frequency per Benefit Year
<b>Individuals with:</b> <ul style="list-style-type: none"> <li>• Diabetes</li> <li>• Kidney Failure/Dialysis Treatment</li> <li>• High-Risk Cardiac Conditions*</li> </ul>	Prophylaxis (General Cleaning) and Periodontal Maintenance	Same percent as the Group Contracted Benefit Level	4 Times Total in any Combination
