

Smile. There's an affordable way to maintain your teeth.

Taking care of your teeth can be expensive. That's why the right dental insurance is so important. Dental coverage not only pays for preventive care that can keep you and your family healthy, it also helps pay for more extensive, costly, often unexpected expenses — such as fillings, crowns, and root canals.

Dental Coverage with Guardian

Guardian's dental coverage is easy. Simply pick a primary care dentist from our network, and get simple, affordable coverage with no claims forms required. From routine checkups and cleanings to comprehensive treatments, we have you covered.
