

Smile. There's an affordable way to maintain your teeth.

Taking care of your teeth can be expensive. That's why the right dental insurance is so important — it not only pays for preventive care that can keep you and your family healthy, but it also helps pay for more extensive, costly, and often unexpected expenses — such as fillings, crowns, and root canals. Save money and get the best value when you use in-network dentists.

Dental Coverage with Guardian

With Guardian dental coverage, you have access to one of the nation's largest dental networks, with over **100,000 dentists nationwide**. From routine checkups and cleanings, to comprehensive treatments, we have you, and over seven million Americans, covered.

Savings From Guardian Dental
