Get more from your health plan.

Get to know NexusACO OAP.

NexusACO® is all about helping you make more informed choices about your health care and making cost-efficient care easier to access. With this plan, you and each covered family member choose a primary care physician (PCP). Your PCP will help guide you on the best path of care, which may help you save time and money. Getting care from Tier 1 providers and facilities within the network may offer the greatest value for your health care benefits. Out of network benefits are available.

Lower out-of-pocket costs.

- $10-$45 copays for PCP visits.
- $0 copays for Virtual Visits.*
- Convenience Care available.

A streamlined experience.

- Easier ways to find a doctor.
- More convenient ways to fill prescriptions.
- Your PCP will act as a guide through the health care system and help coordinate additional care.

Greater access to care.

- 24-hour online doctor visits.
- Choose from a Tier 1 network of quality physicians.
- No referrals needed to see network specialists.

Choose a doctor with confidence.

Where you go for care can make a difference in how much you pay. Tier 1 providers are doctors, specialists and facilities who may offer you the greatest value for your health care benefits. You can find a Tier 1 provider by looking for the blue dots at **myuhc.com® > Find Care & Costs.**
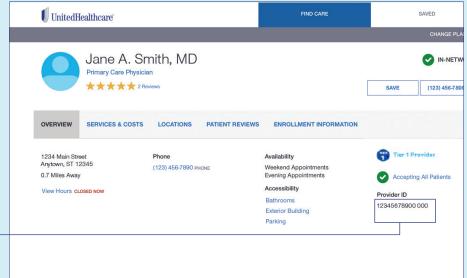

*The Designated Virtual Visit Provider's reduced rate for a virtual visit is subject to change at any time.

Choosing your primary care physician.

NexusACO OAP requires you to select a network PCP for each covered family member.

To get started:

1 Go to **welcometouhc.com/nexus2**, select **Benefits** in the top navigation and choose **Find a Doctor or Facility**. Then, select **NexusACO OAP**.

2 To make your PCP selection from a list of providers within the network, choose **People > Primary Care**, then find and click on the name of the PCP you want.

3 Finally, write down the provider's **10-14 digit ID number**—and keep it handy. You'll need it to enroll.
