

Delta Dental PPO plus Premier

More choice for enrollees.
Lower costs for groups.

Delta Dental of Illinois' unique combination of networks – Delta Dental PPO plus Premier – includes 3 out of 4 dentists nationwide. Acting as a safety net to catch enrollees who visit a non-Delta Dental PPOSM dentist, our exclusive Delta Dental Premier[®] network works alongside our Delta Dental PPO network. This results in 80% of Delta Dental of Illinois enrollees nationwide using a network dentist. Compare that to 25% to 40% with other carriers' PPO-only plans. That helps reduce costs for both enrollees and groups. Plus, dentists who participate in our networks undergo our stringent credentialing and recredentialing process, and are part of our quality assurance program.
